WORK EXPERIENCE

Computer Technician

Extreme Computers, Johannesburg (Feb 2022 - June 2024)

- Assisted customers with technical support inquiries.
- Performed regular system maintenance tasks, including cleaning, updates, and upgrades.
- Inspected and tested faulty circuit boards and microprocessors.
- Troubleshoot and resolved customer issues with PCs and laptops.
- Set up computers, installed hardware, and configured settings for customers.
- Responded to system failures and maintenance emergencies.

Stockroom Assistant

Woolworths, Fourways Mall (Apr 2019 - Aug 2021)

- Reduced order processing time by updating the inventory database daily.
- Verified safe and secure storage of merchandise and supplies.
- Created Inter-Branch Transfers (IBTs) and Returns to Vendors (RVTs).
- Maintained housekeeping standards.

PROJECTS

Telemedicine Application

- Tools: HTML, CSS, JavaScript, Node.js
- Built a platform allowing patients to consult doctors online.
- Features: User authentication, appointment scheduling, and secure communication.

Weather Application

- Tools: Python (REST Framework), HTML, CSS, JavaScript
- Developed a real-time weather forecasting app with location-based predictions.

Neighborhood Watch Application

- Tools: Flask (Backend), HTML, CSS, JavaScript (Frontend)
- Users can report incidents such as looting, theft, and housebreaking.

Collaboration Dashboard (Collab)

- Tools: Flask, HTML, CSS, JavaScript, MySQL
- A platform for team collaboration with features including:
 - Chat system: Channels and group chats
 - Document sharing
 - Task creation and tracking

Grocery Management System

- Tools: Flask, HTML, CSS, JavaScript
- Enabled users to manage their inventory effectively.

Responsive Web Design Projects (*FreeCodeCamp*)

- Built multiple projects, including a Cat Photo App, Registration Form, and Personal Portfolio.
- Used CSS Flex box, Grid, and Animations to create visually engaging designs.

LANGUAGES

- English (Proficient)
- Sepedi Home Language
- Zulu
- Ndebele
- Setswana

CERTIFICATIONS

- Responsive Web Design Certificate (FreeCodeCamp)
- JavaScript Algorithms and Data Structures Certificate (FreeCodeCamp)
